- 3. Click the Request Download
- 4. Review the license Terms and click Accept and Continue to access the download.

SOLIDWORKS Community Access Initiative

Dassault Systemes SolidWorks Community Access Eligibility and Terms of Use Agreement

(Please read this agreement and ACCEPT or DECLINE its terms and conditions at the bottom of the page.)

I "Community Access, " "Student Access" or "Student Access product" refers to Student Standard (formerly known as the Student Design Kit/SDK), Student Premium (formerly know as the Student Engineering Kit/SEK), or 60-Day Trial version of SOLIDWORKS software.

Eligibility for SOLIDWORKS Community Access Licenses:

SOLIDWORKS Comunity Access licenses available at this website are provided only to:

Students and Educators at academic institutions that have been authorized by Dassault Systemes SolidWorks Corporation ("DS SolidWorks") to offer SOLIDWORKS Community Access; and Students and Educators who have received Student Access for trial purposes. SOLIDWORKS Community Access also includes makers, hobbyists, military, and sponsored organizations.

RIT Solidworks 2023 Community for Students Personal Usage/ Non-Commercial Use

5. After agreeing to the terms, you will be able to download and install Solidworks

6. Once Downloaded, run the Solidworks Setup to extract the install files

7. The setup should start once the files are extracted. Click on Install on this computer and click Next

 RIT Solidworks 2023 Community for Students Personal Usage/ Non-Commercial Use

8. Enter the product key: 9020 0057 1190 8873 NMH7 CMB9 and click next.

Note: Only enter the product key under 3D Design (Solidworks). The installer will select the addons that the student license is licensed to utilize.
